"When it comes to partner rankings Excel Tech Inc. excels. Arcimoto is extremely satisfied having Excel Tech Inc support our contract electronic manufacturing needs. From small projects, to full production runs, every detail is always treated with the highest level of care. At Arcimoto, we rely on Excel Tech Inc to keep our electronics supply chain stable, so we can continue to focus on scaling our business.

— Dwayne Lum, COO, Arcimoto

"Excel Tech has become more than just a vendor for circuit board assembly to Audio Precision since we began our business relationship in 1998. Excel Tech's technical strength, workmanship, product quality, communications and most of all their customer service, establish them as an excellent business partner. We would have no hesitation recommending Excel Tech to any potential customer."

— Kelly Geiger, Purchasing Agent, Audio Precision
